This is ridiculous ... I work two jobs to stay afloat . My husband had to file bankruptcy this year with his business . I got involved in repealing the no gas tax referendum because it is critical for Oregonians .

Oregon is focusing on the wrong things and we are not supportive of the “values of protecting drug dealers , and protecting immigrants when it means our own children are homeless and on the streets looking for scraps and bottles from garbage bins to survive . Stop the nonsense please . 250,000 voters want this to be voted on in November. .. it needs to stay there .
