To Senator Wagner, to move the election from November to May is outrageous. You are always talking about affordability when this bill makes life more unaffordable for Oregonians.

It is bad enough you deny fax-free tips, overtime, and Social Security; you pile on a massive tax increase on average people. This is unconscionable to do, yet you are willing to break all the rules to hurt voters who will not forget in November.

Please vote no on changing the election.

Thank You

Gary Bray
