Good Afternoon,

I am writing to ask that you vote no on SB1599. More than 200,000 Oregonians signed a petition asking for the transportation tax to be put on the November ballot. To change that and put it on the May ballot is ignoring the people! We came out in force to tell the "leaders" of our state what we want. To ignore that once again will prove to us that you are not here for your constituents.

We, the hardworking people of Oregon, deserve to have this issue voted on in the November election!

Thank you for your time.

Sincerely,
Robin Smith
