

Submitter: Ann Waters  
On Behalf Of: myself  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1598

Please do not pass this bill as it will affect all of us and more to come with:

Unchecked Authority: Grants broad power to unelected public health officials to make decisions affecting all of us, without further legislation or public debate.

Automatic Mandates: Clears the way for vaccine requirements to affect access to schools — without another legislative vote.

Forced Compliance: Invokes statewide one-size-fits-all medical orders without individual consent.

Taxpayer-Funded Mandates: Compels insurance companies and taxpayer-supported public programs to pay in full for vaccines and health services.

Overrides Doctors: Removes ability of doctors to make decisions in the best interest of their patients.

I want my medical freedom and I want all to be able to make their own decisions for their health, too. Please hear us and do not pass this bill.

Thank you,  
Ann Waters
