Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

We the citizens of Oregon signed to have this measure on the November ballot, and that is what the referendum stated and called for. If you move it, I hope someone will challenge it with a lawsuit. I also hope anyone who votes for it will be called out for doing so in their next election cycle and hopefully get replaced at the ballot box.
