Measure, Appointment or
Topic: SB1599

Hello, as a oregon resident and an oregon taxpayer who has family roots that go way back, I oppose this and I think its wrong to not give Oregonians a fair say in what they want/need. We shouldn't have to worry about increased prices and a timeliness that keeps getting moved to make that happen. We worked very hard to oppose the gas tax hike. Only to hear that its trying to be pushed forward again.
