Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

I am strongly opposed to this bill. My signature on the referendum was for this to be placed on the November ballot. Please listen to the people who overwhelmingly expressed their desire as did I and keep the referendum on the November ballot. We the People have spoken. Last I heard we are supposed to be a Republic for the people not a socialist regime. Thank you!
