Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

I am a grandmother of 4 precious children (2 girls and 2 boys) who MUST remain healthy and safe in this chaotic world. My husband and I moved to Salem 4 years ago to be near our family. It is CRITICAL that Oregon continue to be THE BEST place for healthcare. Due to the confusion about the COVID vaccines, our family went to Washington State to get the boosters. Oregon must maintain broad vaccine access for ALL immunizations. We are proud to be in Oregon where common sense and decency rule the day.

CONTINUE TO SUPPORT THE HEALTH OF OUR CITIZENS!!! WE SUPPORT SENATE BILL 1598.

Thank you for standing STRONG!!!
