Measure, Appointment or SB1599
Topic:

I am a native Oregonian, born and raised. I have lived in towns all over the state. This bill represents the long usurpation of the will of the people of this state. It is not only against the will of the people but also against the authority of the Oregon Constitution. We must not allow the government of our State, the people, to be ignored by self-serving politicians.

A no vote is the only just vote on this bill. Our legislators must listen to their electorate and cede to the constitutional authority of our State.
