On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

Please vote no on sb1599 and follow the voice of the people of this great state. It is time to do what is right and just for the majority of the legal voting people of the State. Elected officials need to stop adding additional taxes and work with the funds that they have and stop driving people and business away from a State that so many people love and grew up in.

Sincerely ,  
Paul Olesen
