Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

It is under handed and forceful upon the people to move this issue up after the people have petitioned to have it put to a vote of the people for we have constitutional rights to vote on it .for we are a democracy not a dictatorship the governor was elected to serve the people .to not let the people vote on it is to serve self not the people
