Gas has always been a bit expensive here on Oregon ,,so much so that it HURTS working families that need to DRIVE to jobs ,,pick up kids at school or activities ..even retired people who would LOVE to travel about the state can not due to HIGH GAS PRICES ...IF gas were cheaper ,, more people would drive more and YOU would have more GAS tax money... but that's one of the things that DEMOCRATS in power do not want ..FREEDOM of movement ,, Freedom of Choice.... Freedom
