Topic: SB1599

Outrageous political manipulation of the voting system to tax Oregonians more. A May election misses most voters which is the whole point; pass a major tax when no one is looking. This governor has no clue about her struggling state. She surrounds herself with sycophants and subhumans. She has No idea how to manage our finances; AND No clue about straight people which is the majority. We are being used and manipulated behind our backs. Venomous.
