2026-302

Measure, Appointment or Topic: SB1599

Moving the SB 1599 referendum date from November to May is an unlawful act. Has the Oregon legislature no respect for Oregon law, much worse no respect for the Oregon voter? The movement of the Referendum to the month of May must not happen. Movement of voting date confirms to the people of Oregon, the legislature and governor of Oregon have NO respect for law and their constituents. Movement of the referendum date will be followed by a lawsuit, one that will show the entire country how criminal and corrupt the government of Oregon truly is. Taxation without representation.....sound familiar?
