Measure, Appointment or  
Topic: SB1599

Please oppose the measure seeking to move the gas tax approval to the May ballot. Primary turnouts are minimal compared to general elections. Let the people of Oregon decide this once and for all! Independents don't have any candidates to vote for in primaries currently. Independents should be given a proper opportunity to vote on this, the Legislature (and Governor) are just playing games with this and the people are tired of this game! Please let this measure be voted on by the full voting population in November.

Thank you!
