

Submitter: Vernon Klemin  
On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or Topic: SB1599

Voting dates have been established and stone for years and have become tradition. For senior citizens whose memory is failing, rely on consistency and dependability, changing an established voting date will make such citizens forget to register their vote on time.

Also, for busy non-seniors, such a change will enhance the chance such citizens for miss their opportunity to vote.

I do not support a change in the traditional, established voting date.
