Dear Joint Special Committee SB 1599,

I signed the petition to vote on the Referendum Petition 2026-302 which clearly states we vote in the November General Election.

By trying to move the vote to May will only make the public distrust in the legislature deeper. Major policy should always be decided when the most voters are participating, citizen-led referendums should never be altered. This is a critical moment, please don't let this happen. Thank you for standing up for Oregon voters.

With appreciation,

Gary Wilson
