Measure, Appointment or SB1599
Topic:

I am absolutely opposed to HB1599. May vote. We do not need to spend extra money for a special election in May. We already voted for the November inclusion of tax item.

I understand why you want to do this, please can you leave "politics" out of it, people realize that our governor does not want to be on the same ballot with this embarrassing trick she tried to pull on us.

Again I am opposed to this being a special election in May, we can wait until November to vote on the tax issue. Please do not spend our money on a special election.
