

Submitter: Kenneth Peake

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

The majority party in this state knows the likely outcome of a vote on this topic. Just like so many bills passed as “emergencies”, this one is no different. They’re afraid to let the voters decide. Apparently they believe they’re smarter than the voters. I’m deeply offended that people that were sent to Salem to represent the voters would be so arrogant. I absolutely oppose this! Let the voters decide in November.
