2026-302

Measure, Appointment or Topic: SB1599

I urge you to vote no on SB 1599. It is clear, the move to May is a political move in an effort to push the transportation tax through on a primary ballot with historically lower voter turnout and to avoid the potential harm for the democrat candidates on the November ballot. We signed a petition that clearly stated the election to occur November 2, 2026, please respect the will of the people.
