Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

Good Morning;

Please just let the election date stand as it was on the petitions.

By Moving the date up, (less time for a campaign to get organized), and to a primary election date, (lower turnout), gives the impression that you don't think it can pass on it's own.

Again, please get your finger off the scale, and let Oregonian voices be heard.

Thank you.
