I oppose sb 1599. We oregonian have spoken, with the required signatures to put it on the November ballot with little time to gather those signatures. Thanks to you Tina stalling and going on vacation. We did what you thought couldn't happen. Oregonian have spoken!

No on gas tax! No on raising vehicle registration. No on recreational fees. You are sucking the life out of our pay checks. Enough is enough. Work with in your means. Cut the fat out of your wish list that you have created.

You can still do this and keep the maintenance workers employed. Stop using them as a pawn. The stress on them is not fair.
