

Subject: Vote NO on SB 1599 — Respect Oregon Voters

Chair and Members of the Committee,

I represent a newly formed Wasco County PAC. Our mission is to increase the word and get it out to the voters of all parties when public leaders attempt to derail Oregonians policy desires. The current effort on the recently written SB1599 is designed to eliminate a large part of the voting rights of Oregonians. This is truly irresponsible leadership. I'm writing to strongly urge you to vote NO on SB 1599.

SB 1599 is a political attempt to change Oregon's election timeline. More than 250,000 Oregonians signed petitions expecting this measure would appear on the November 3, 2026 General Election ballot, as explicitly stated on the signature sheets.

Changing the date now is unfair, possibly illegal and disenfranchises hundreds of thousands of Oregonians. The Legislature already had the chance to address this issue and chose not to. Oregonians of **"ALL PARTIES"** were involved in signing that petition.

Please do the right thing and respect the will of **"ALL"** Oregon voters.

Vote NO on SB 1599.

Sincerely,

Terry Turner
