Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

I oppose moving the date for this referendum. This Oregon government has seemingly done everything in their power to cram this tax scheme down our throats, without asking the people of Oregon. I for one feel like the golden goose, getting squeezed harder and harder without having a voice in the matter, and the fruits of my labors squandered on programs, people and ideologies that are dubious at best. I feel it's time for a taxpayer revolt!
