I am appalled at what the Democrat representatives are aspiring to pull! Yes, pull... SO many Oregonians took the time to not only collect but sign petitions to have this referendum placed on the NOVEMBER ballot in 2026. Many Democrats seem to feel they can totally ignore "We the people" who try to live and make ends meet in a struggling Oregon. STOP IT! Stop trying to subvert the will (and wish) of the voters in this state! You all like taxing, taking and then haven't a clue how to wisely and properly manage the funds already received.

WE THE PEOPLE didn't want to be, again, over taxed. It took a referendum to get your attention, didn't it! Now you are pulling more shenanigans (and pushing your power around) to try and CHANGE the will of the people! STOP IT! Behave yourselves! WE want the referendum placed on the November 2026 ballot!
