On Behalf Of:

Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

I oppose SB 1599 because this issue needs dealt with as soon as possible. Moreover, when others and myself signed the referendum, our understanding was that this would be on the November ballot when there is higher voter turnout. To delay the vote is an attempt to diminish (and thus suppress) the voices of more than 250,000 Oregonians. Do the right thing and keep the vote in November.
