Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

We the people... did you read that? We the people want the opportunity to vote on this massive tax increase in the November Election. You are deliberately ignoring the voice of the people which was loud and clear through the overwhelming response to the signed petition.

You are wasting time and taxpayers money. Money that could be used for the very things you're trying to tax us more for.

Please vote NO on SB 1599
