On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

I am opposed to this bill. I signed the referendum with the understanding this would be on the November ballot. Now Democrats are trying to move it to the lower turn out primary election to suppress the vote and to protect the Governor in November. This is a disgusting partisan move and proof yet again that the Democrats could not care less what every day Oregonians think.
