Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

I am a long time citizen and voter in Oregon. There were many more voter signatures collected for this referendum than needed to bring it to a vote of the people. It is only right and just that it appears on the November ballot where the most of the state's voters participate. Anything else is disrespect for the voters.
