I oppose 1599. All kotex wants is tax tax tax. She submit her bill. Around 250k signatures to put it on the general election Nov 2026 ballot. Now her and her minions doing their political games to move it to May. Absolutely not. Kotex doesn't listen. It needs to stay on the general election of Nov 2026. But she and her minions won't listen to this like all the other statements in august. That is the problem in Salem. They don't listen and do what they want vs the voters. Thank you Margaret Vowell
