

Submitter: Kathy Chitwood

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

I Kathy Chitwood hereby oppose this measure as unconstitutional. We the People completed our legal right to obtain petition signatures to move this to the November 2026 election, NOT the May elections.

This forced measure is purely an overreach of political power by current administration.

Clearly the people (non Partisan) decided and called for the November 26 election as stated on the signed petitions.

I ask that you, as elected by the people, affirm and adhere to the message sent to you by overwhelming results in the collection of these signatures.

This measure must go to the November 26 ballot .

Thank you
