On Behalf Of:	The citizens of Oregon who signed the petition
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

We, the people of Oregon, signed the initiative petition in good faith that the legislature would honor our request and hold the election on the date we selected. By changing the date, you are showing that you don't respect the will of the people that you claim to represent. I would love to see you leave the election as we selected and move on to work on more pressing matters of the Legislature. Thank you!
