Please no more taxes! Taxes are killing Oregon! People are leaving, businesses are leaving; Oregon is suffering because of Democrats. They say they will work for both sides of the isle, but they dont. It has to be their way. We submitted signatures to have the gas tax voted on in November 2026. That should stand, No switching to May 2026. That is double crossing the state of Oregon and all that signed the petition, 250,000 of Oregon People! .Democrats cant ignore that!!
