Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

As one of the over 200,000 signers...My intention was to see this Ballot Measure on The November 2026 Vote along with Major Political Positions! I want to see the overwhelming response to the initial petition shown at That Time! A May Primary Vote will not capture The Support Given to The issues of concern to those of US who signed The Petition due to the expected LOW VOTER OUTLOOK that has recorded evidence. Therefore, I look forward to Voting on This Ballot in November...as originally intended!
