Measure, Appointment or Topic: SB1599

Citizens of Oregon have signed and submitted more than enough signatures to place the Gas Tax referendum on the November 2026 ballot. Please do not manipulate the system and move voting on the Gas Tax referendum to the May 2026 election. All members of the Oregon Legislature and the Governor are elected to serve the people of Oregon!! Please have the integrity to do the will of the Oregon citizens who have followed the process appropriately to put the Gas Tax referendum on the November 2026 ballot. Moving the Gas Tax referendum to the May 2026 ballot is solely for the benefit of politicians, especially the current governor, Tina Kotek, in Oregon who fear the result of a November 2026 election. **ALLOW OREGON CITIZENS THEIR CONSTITUTIONAL RIGHTS** by placing the Gas Tax referendum on the November 2026 ballot.

Additionally, the Oregon Legislature should finally be committed to holding ODT accountable. For years ODT has overspent their budget with no consequences. ODOT and it's union, SEIU, should be required to live within their budget just like the ordinary citizens of Oregon.
