250,000 registered voters demanded this be one the NOVEMBER ballot. It is misuse of political power to pressure Oregonians and our representatives. We pay the salary of each of you and now use the elected guidance that the public has directed. No elected representative, especially a Governor should bully officials against the citizenry of Oregon. We are now on the world stage of how democrats manipulate the process. We the people SAY NO.

Signed an Oregon resident married to a 7th generation Oregon homesteader.
