Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or Topic: SB1599

Moving the voting date of a voter referendum seems contrary to what the people signing the referendum want. Voters signed the referendum so they could to vote on the matter in November. Voters didn't sign a referendum so they could vote on the matter in May. If the legislator wants to give the voters the option to hold the vote on a primary ballot, then make it an option on a going forward basis. Don't force it upon voters.
