Senate Bill 1599 SUBVERTS THE WILL OF THE PEOPLE. We signed for a November General Election. This is a clear effort to put the tax referendum onto a ballot with historically low election turnout, the May Oregon primary and even notes the option of a special election. 94% of Oregonians- the VAST majority- initially said no to these increases, during legislation discussions, and 250,000 petition signers said NO to tax increases.

You are our representatives and should be representing the will of your constituents, but are not doing so. Who exactly are you representing if not these 250,000 people?
