Topic: SB1599

It is stunning we citizens again have to ask. Salem to honor the will of the people. The reason we've sent all you to Salem. We clearly expressed that we wanted an opportunity to vote. We also want as many voters as possible to participate. That is in November that is the election that consistently gets the largest amount of voters to participate in our alleged democracy. That is why it was clearly spelled out in the referendum. To be voted on in NOVEMBER. Inspite of Tina trying every trick in the book with her delaying the signing of her bill she ram rodded thru the legislation ignoring the will of the citizens. She narrowed the window to meet the signature criteria. But inspite of her nefarious attempts to silence us. We overwhelming prevailed by the efforts of the volunteers and voters we went out of our way to sign this petition. We overcome all the obstacles the time constraints the holidays inclement weather and we AGAIN ask for the constitution and our wishes to be followed and throw out 1599. To send Tina and her cronies in Salem a clear message that it is we the citizens who are in charge. Tina needs a more permanent message in November that we Oregonians have had enough of her dictatorship and vote her out of office to send a clear message to Salem we citizens are taking OUR state back. Enough is enough. The mismanagement is over as well as ignoring the will of the citizens it all stops in NOVEMBER. Salem prepare yourselves there will be a lot pink slips coming from the ballot box in November !
