Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or Topic: SB1599

this is an obviously anti democratic measure, designed to suppress voter turnout.

But worse than that, it is another in a long line of anti democratic maneuvers

designed to thwart the will of the voters on the issue of the Californiaesque tax

measure. And even worse, it is designed to separate Democrat politicians from their obnoxious tax bill.
