

Submitter: Jack Esp  
On Behalf Of: Oregon Voters  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or Topic: SB1599

I respectfully ask you to vote NO on SB 1599 for the following reasons:

1. Over 250,000 registered Oregon ( the voters that elected you to office) signed a petition to refer SB 1599 , including the date for the vote, to the voters of Oregon.  
This date is that of the 2426 General Election  
. For reasons, only rumored, the legislature is attempting to disregard these voters wishes and change the date to one not on the referendum to that of the 2426 primary election.
2. This a[appears to be a direct slap in the face of the 250,000 + voters that elected these same legislators.
3. Who do these legislators work for The electorate or themselves?

For these reasons I am requesting that you vote no on SB 1599 and respect the stated desire of your electorate.
