To members of the Oregon State Legistalors,

I strongly ask you to oppose SB1599. So many Oregonians took time to sign a referendum. Moving this vote from November to May seems like a silence of our voices. There is a much smaller voter turn out historically in May. It also does not give adequate time to get our voices heard in both the voter pamphlet as well as other means. This action of moving the vote to May does not seem in good faith or necessary. I would appreciate your thoughtful consideration of rejecting this schedule change.

Respectfully,
Jennifer Hartung
