

Submitter:	Fred Wagner
On Behalf Of:	Myself
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

As usual a large number of people have successfully submitted a petition that our legislators are trying to work around.

The petition in question this time clearly states that the vote will occur in the November 2025 election.

Moving the election date implies that some of our legislators are trying to "game" the system, and thwart the will of the people.

Leave the date as it stands
