Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

I oppose this measure. We signed the petition to put this on the ballot in November. That's what we the people want and yet again, it's not fair, that you guys put your own interests first, for political reasoning and try to do this against our collective will. Oregonians deserve to have this on the November ballot, like we signed the petition for. Thank you for the time.

Sincerely, Lori Lewis
