Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

My name is Lucinda Gullion a registered voter in Tillamook county Oregon.
I know & many many of us signed a petition to have the transportation tax
referendum put to the Oregon State voters in Nov 2026. We know that Gov Kotek is
trying to move this referendum for 2 reasons. Statistics show less voter turnout in
May special voting & she is desperate to get more money put into the budget ASAP.
The conservative party got enough signatures to put the referendum transportation
tax increase bill to voters in Nov 2026.
This should be honored since it is our monies being spent.
Please consider doing the right thing for the voters of Oregon.
