2026-302

Measure, Appointment or  
Topic: SB1599

I really wish our Oregon government would work FOR the people and not only in THEIR best interests. Alas, this will never happen but to try and "game" the system and rushing through the ODOT outrageous budget bill is truly incredible. Our tax dollars have been mishandled continuously especially when the organization is run by the government. You do not need more money, you need competent leadership that will budget and spend our dollars like they were their own.
