I disapprove of this bill. The petition that I signed, and we all signed, had a particular date on it, which my understanding should be respected, and by law should be valid.

I believe it's time to make Oregon legislators accountable, it's time to balance the budget, get rid of fraud. Let's be smart on what we spend money on before you start adding extra taxes. This just makes the population think about moving to states that are less aggressive in taxation. Let's rebuild Oregon for Oregonians.

Thanks, Bret Potts
