I firmly oppose this bill. In my opinion it is sneaky and underhanded. The referendum clearly stated for the November 3, 2026 ballot. I feel that it is a bill intended to take away more voice of the people of Oregon because the primary elections usually have lower turn out and people pay less attention to it. Also it does not allow enough time to put opposition statements into the voter pamphlet. I do believe it is meant for it to not be on the ballot along with those who voted for the Transportation tax that are trying to get reelected.
