Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

As of the time of my submission there is 3,041 testimonies submitted and of that 3,003 have opposed this! that is 98.75%. This is so underhanded and a slap in the face to we the people who worked so hard to let you all know what we thought of your ignoring the 94% opposition during the special session. We need you our elected officials to listen to us. Please remember that you govern me thru my will only. Oregon has got to get back into being a state that I am proud to say I am from instead of a state I may have to say I used live in. I cannot as a small business owner pay anymore taxes or fees. Please find it in your hearts to let us vote on the November ballot as the referendum petition so clearly requested!
