Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

I signed the petition to bring this to a vote in NOVEMBER. It needs to be on the ballot for November, because the legislators who brought us the initial bill will also be on the ballot in November. Their careers should sink or swim with this topic, and they shouldn't be allowed to hide from it.
